Ski Ropes & Outboard Bridles

Quicksilver Basic Ski Rope

- 75' Poly E rope
- Breaking strain: 1500lb
- Aluminium handle covered in high density, injection moulded rubber
- Includes rope caddy for keeping rope knot free when not in use (67-884906 08)

Quicksilver Performance Ski Rope

- High quality 75' Poly E rope
- Breaking strain: 1500lb
- Aluminium handle covered in high density, injection moulded rubber grip
- Comes with bag. (67-884905 08)

Quicksilver Performance Wakeboard Rope and Handle

- 75' Poly E rope
- Breaking strain: 1500lb
- Aluminium handle covered in high density, injection moulded rubber grip
- Comes with bag. (67-884904 08)

Quicksilver One Person Tube Rope

- 60' Poly E rope
- Breaking strain: 1600lb
- Perfect for single rider tubes (67-884908 08)

Quicksilver Two Person Tube Rope

- 60' Poly E rope
- Breaking strain: 2375lb
- A must for tubes with more than one rider
- Includes rope caddy for keeping rope knot free when not in use (67-884909 08)

Quicksilver Outboard Bridle

- 10' Poly E bridle
- Breaking strain: 2700lb
- Heavy Duty shackle and pulley system (67-884907 08)

Waterskis

Mercury Racing Wide Body Combo Skis (173cm)

- Wide design allows for quick planing, easy deep-water starts, and more stability once the skier is up
- Dual density bindings with easy side adjustment. Allows for one-handed adjustment of the bindings - even in the water
- Narrow tunnel that offers stability and control rather than a full concave, which makes skis very edgy
- RIM construction with reinforced rods (67-887075 08)
- Trainer bar available. Screws into existing fitting to make learning to ski a breeze (67-890149)

Mercury 68" Adult Combo Skis (173cm)

- Construction - Quality reinforced RIM Moulded
- Includes removable trainer bar
- Dual density bindings with easy side adjustment. Allows for one-handed adjustment of the bindings - even in the water
- Double tunnel that offers stability and control rather than a full concave, which makes skis very edgy (67-890066 08)

Quicksilver 68" Adult Combo Skis (173cm)

- Construction - Quality reinforced RIM Moulded
- Quality slide adjustable binding
- Rear toe binding on one ski
- An extremely responsive yet predictable and stable family ski
- Suitable for use in all conditions
- Dual density binding
- Drop through polycarbonate fin (67-890091 08)

Quicksilver 58" Junior Combo Skis (147cm)

- Construction - Quality reinforced RIM Moulded
- Quality slide adjustable moulded binding
- Rear toe binding on one ski
- Great for juniors & skiers up to 55kg
- Stable in all conditions
- Dual density bindings
- Drop through polycarbonate fin (67-890092 08)

Quicksilver Junior Trainer Skis

- Construction - Wooden (maple)
- Single density slide adjustable binding
- Includes - Ski Rope, Handle & Stabiliser bar
- Ski rope attached to stabiliser bar which pulls the skis allowing the rider to focus on their stability
- A great introduction to waterskiing & real confidence booster for the younger rider in the family (67-890093 08)

Mercury Adult Combo Cover

- Carry Handles
- Full length side zip
- Multi fit adult combo cover (67-887150 06)

Tube Range
